# Express L6

EXPLORE A NEW PATH

The E-Z-GO Express L6 is an off-road hospitality shuttle that's designed to let you to go anywhere and explore the world around you. With seating for six and a convertible cargo bed, the Express L6 is built to fit your friends, family and cargo. Equipped with chrome wheels, raised ride height and all-terrain tyres, the Express L6 delivers a comfortable ride across any terrain.

The new 72-volt AC powertrain offers enhanced power and efficiency, whether it's camping with the family or exploring a new trail with friends, let the Express L6 take you there.

The vehicle can be personalised and made more visible by adding hazard beacons, strobe lights and LED headlights if they're being used in busy or hazardous areas. The rear seat can also be replaced with a roto-moulded cargo bed suitable for small loads.
