REFRESHER DROP-IN

TAKE CUSTOMER SERVICE TO THE NEXT LEVEL

The Refresher Drop-In is designed to transform any Hauler® into the ideal merchandise vehicle intended to grow revenue on your course.

The lightweight, rotomolded design includes built-in handles on all four sides for easy installation and removal. Two beverage compartments accommodate up to 290 cans and are equipped with bin dividers for increased organization.

Stock, sell, and go with the Refresher Drop-In and exceed all your customers' needs.
