

The perfect people vehicle.

Personalised transportation for 6.

Express S6.

The Express S6 has room for 6-passengers to embark on your effortless adventures.

With a choice of an efficient 13.5-HP closed-loop EFI gas powertrain or a maintenance-free ELiTE lithium battery pack, the Express S6 will take you on a getaway you'll never forget.

With the most legroom in the industry, convenient dashboard storage pockets, and new bold styling, the Express S6 is sure to set you apart.

The vehicle can be personalised and made more visible by adding hazard beacons, strobe lights and LED headlights if they're being used in buzy or hazardous areas. The rear seat can also be replaced with a roto-moulded cargo bed suitable for small loads.

ELiTE Lithium
Powered by Samsung SDI Lithium Technology

13.5 hp
Electric Fuel Injection Petrol Engine

6
Person Capacity

1047lb/475kg
Vehicle load capacity

Zero Battery Maintenance
No terminal cleaning or watering

Speedy Charge
2x Faster charging when equipped with world charger

Express S6.
