

# An essential course accessory.

**Ball cage fitted utility vehicles.**

## Ball Picker.

A ball picker is an essential tool for any driving range, and our Cushman Haulers are ideal for this role. The ball picker fits the following models; Hauler 800, 800X, 1200, 1200X, Pro & Pro X.

The high impact, light weight, powder coated cage is fully removable when the vehicle is not needed for range duty which makes it incredible value and an essential for all golf clubs looking to improve ROI.

Golf Car UK can supply complete ball picker solutions, including either the Range Servant 3 or 5 gang ball collectors or just the vehicle with a ball cage & picker attachment to fit your existing ball collector.
