

Room for two & a cargo deck.

Delivering more than hard work.

Shuttle 2.

When you need to move large materials around your facility in a hurry, the Cushman Shuttle 2 is the right choice. With a 1200lb cargo capacity on its 20.9ft² cargo deck, it can move anything from building materials to luggage for your guests.

Now offered with maintenance-free ELiTE lithium powered by Samsung SDI Technology or a fuel-efficient 13.5 hp EFI gas engine, the Shuttle 2 offers plenty of power and versatility to get the job done right.

The large cargo bed also makes the Shuttle 2 the perfect platform for customisation to suit specific roles within your business.

It is the ideal hospitality support vehicle for housekeeping, food services and maintenance operations, all while offering year after year of trouble-free service.
