

In case of emergencies.

Safety and comfort combined.

Ambulance RXV.

The E-Z-GO Ambulance RXV is an innovative solution for swift patient transportation.

This all-electric vehicle boasts a bespoke stretcher carrier, which has been meticulously designed to expedite patient transfer and ensure they receive timely medical attention.

The Ambulance RXV is equipped with various features, such as secure straps, a stretcher deck with a fixed side rail, and a rear-facing paramedic seat with suspension and retractable seat belt.

You're guaranteed a safe and comfortable ride for patients and medical personnel alike.
